

DAVID STEPHENS

OFFLINE EDITOR
PREMIERE/AVID

ABOUT ME

Accomplished, experienced and efficient editor. I have worked in the television industry for over ten years, in this time I have developed in to a well rounded professional. Proficient on both Premiere and Avid, I am adept at editing in a variety of styles, from visualisation to delivery. I enjoy working both collaboratively, as well as producing projects independently to a very high standard. I am hard working, enjoy problem solving and am comfortable working in a high-pressured environment.
